

Class Schedule Change in Case of Weather Alert or Suspension of Transportation

In case of weather alert or suspension of transportation class schedule will be changed as follows.

1 Weather Alert

If the event is still ongoing at:	Area and type of alert	Class schedule
6:00 am	When the Meteorological Agency announces a gale warning, blizzard warning or emergency warning to the Western part of Tokyo's 23 wards.	School starts from 3 rd period
8:30 am		School starts from 5 th period
11:00 am		Study at home all day (No class)

2 Suspension of Transportation

If the line is closed at:	Suspended Lines	Class schedule
6:00 am	Inokashira-Line	School starts from 3 rd period
8:00 am		School starts from 5 th period
11:00 am		Study at home all day (No class)

【Note】

- 1 If the parent or guardian judge that it is not safe to send the student to school (because of the weather in his/her living area, or because of transportation problems), please let the student stay at home.
- 2 Even after the warnings are canceled or transportation resumes, please take extra precautions to come to school safely.
- 3 If any other events occurs, you will be informed of the schedule separately.
- 4 In case of weather alerts, suspended transportation or any other reasons listed, tardiness and absences will be treated as present.
