問1 問2 問3 問4 問6 各4点	/24
問5 8点	/8

6	Ten years ago, customers in the supermarket
	waited in line to pay a clerk for the things they
	wanted to buy. However, they don't need to
	wait now because they can use machines to pay.
	It's convenient to use machines, but I think
	there is a bad side, too. If more machines are
	used instead of humans, more humans will lose
	their jobs. (63 words)
